THE ♥ OF ACRM IS ITS COMMUNITIES

The ♥ of ACRM is its interdisciplinary special interest and networking groups. These communities work collaboratively to advance the science of rehabilitation and its translation into clinical practice to IMPROVE LIVES.

For professionals actively engaged in these groups, ACRM membership delivers tremendous value. Meet with colleagues who share your interests, challenges, and goals and make a difference in the future of rehabilitation. Unless indicated with an envelope ✉, these are OPEN for ALL. *Join…*
