

ACRM Cognitive Rehabilitation Training Faculty

Thomas F. Bergquist, PhD, ABPP-CN
Mayo Clinic Medical School
Rochester, MN

Thomas F. Bergquist, PhD, ABPP-CN is Assistant Professor in Psychology in the Mayo Clinic Medical School and Program Director of the Mayo Brain Injury Outpatient Program. He is board certified in Clinical Neuropsychology. Dr. Bergquist received his doctoral degree in Clinical and Medical Psychology from the University of Alabama at Birmingham. He did his internship in Clinical Psychology at the Oklahoma University Health Sciences Center and completed a two-year fellowship in Clinical Neuropsychology at Mayo Clinic. He has given numerous regional, national and international presentations in the areas of brain injury rehabilitation and disability, and has authored or co-authored over 2 dozen publications and several book chapters. He was awarded the Lifetime Achievement Award by the Brain Injury - Interdisciplinary Special Interest Group of the American Congress of Rehabilitation Medicine in 2011. He is a co-investigator in the NIDILRR funded Mayo TBI Model System Center. His principal research interests include rehabilitation following acquired brain injury and coping with disability.
